PENNSYLVANIA STATE SYSTEM OF HIGHER EDUCATION
GROUP HEALTH PROGRAM
2010-11 MEDICAL/HOSPITAL PLAN COMPARISON

PA FACULTY HEALTH AND WELFARE

Some changes to the Dental Plan took effect beginning January 1, 2009. The Fund's Trustees found it necessary to make some adjustments to keep the Fund's reserves at or above the required minimum reserve level. The major change is that as of January 1, 2009, the Dental Plan will begin a \$50 annual deductible (family max of 3). In addition, there will be some adjustments in frequencies of services to bring the schedule to current standards of dental care. The Fund's Trustees will be sending an announcement to all Faculty in mid-December explaining the changes. Please watch for further details from your local APSCUF office or visit APSCUF's website at www.apscuf.org.
